### \*Call to Worship *(in unison)*

One: Our lives are like empty jars.

**All: What we choose to fill them with, matters.**

One: For if we fill the jars of our lives with good things

**All: then good things will be drawn out from them.**

One: In this moment may we fill our jars to overflowing,

**All: with the love and grace of God.**

### \*Opening Prayer *(in unison)*

God of sign and miracle, of celebration and lavish invitation, we have again gathered seeking your blessings. Your blessings that might fill up the jars of our lives. Your blessings that might help us to pour out Your outrageous abundance on all of creation. Your blessings that invite us to see the world around us with never ending opportunity. May our prayers, the songs that we sing and the words that hear fill the jars of our lives to overflowing. Amen.
